I am directed to inform you that Her Majesty the Queen, on the occasion of one of her recent visits to the British Empire Exhibition, made an inquiry as to whether it would be possible to allow some of the exhibits in the Indian Pavilion, among others to remain in London, permanently, at the Imperial Institute. Following her Majesty's inquiry the Director of the Imperial Institute was approached on the matter and asked to suggest a list of exhibits which it would be, in his opinion, advantageous to secure for the Institute galleries, and I now enclose copies of the list which he has prepared. It will be seen that he has suggested exhibits from practically all the -- Pavilions in the Indian section, including those of the Indian States, and I am now to ask that the Government of India will be so good as to furnish the High Commissioner with their instructions as to the -- possibility of meeting Her Majesty's request, in accordance with the proposals made by the Imperial Institute. I am also to inquire whether the Government of India will communicate with Local Governments and the Indian States on the subject, and with that end in view a sufficient number of copies of the list furnished by the Imperial Institute is enclosed herewith, as mentioned above.

I am further to ask that, if possible, a telegraphic reply may be sent.
